

# Senior Spotlight

*John & Pat Bury*

John was born in Lancaster, MO, while Pat was born in Ottumwa, IA. Pat moved to the Des Moines area living near Drake University. John was attending college for music; they eventually crossed paths. Marrying in 1949, they have been together for over 72 years.

Together they have two children, four grandchildren, and four great-grandchildren. John and Pat stay busy reading, going to live music, exercising, and watching travel videos. Their love for travel started early in their marriage; collectively, they have been to Europe five times.

When asked, "What life advice would you pass along to the younger generation?" They replied, "Be friendly to everyone you meet and keep a good sense of humor." While living at NRV over the last six years, they have become a cornerstone to the community, sharing their passions and love for life daily.
