

Senior Spotlight

John & Pat Bury

John was born in Lancaster, MO, while Pat was born in Ottumwa, IA. Pat moved to the Des Moines area living near Drake University. John was attending college for music; they eventually crossed paths. Marrying in 1949, they have been together for over 72 years.

Together they have two children, four grandchildren, and four great-grandchildren. John and Pat stay busy reading, going to live music, exercising, and watching travel videos. Their love for travel started early in their marriage; collectively, they have been to Europe five times.

When asked, "What life advice would you pass along to the younger generation?" They replied, "Be friendly to everyone you meet and keep a good sense of humor." While living at NRV over the last six years, they have become a cornerstone to the community, sharing their passions and love for life daily.
